Attorney Docket No. 22513-3300/US/2

ASSIGNMENT

WHEREAS, I, Klaus W. Gartner, of Palos Verdes Estates, CA, have invented certain new and useful improvements in a PORTABLE ENTRY SYSTEM AND METHOD for which an application has been made for Letters Patent of the United States, said application having been identified in the United States Patent and Trademark Office by Serial No. _____, filed _____; and

WHEREAS, Lock Technology B.V., a corporation organized and existing under the laws of the Netherlands, and having its principal offices at Vlijtstraat 40, Doetinchem, Netherlands, 7005BN, is desirous of acquiring the entire right, title and interest in and to said invention, said application and in, to and under any and all Letters Patent to be obtained therefor;

NOW, THEREFORE, for good and valuable consideration to me in hand paid by said Lock Technology, B.V., the receipt of which is hereby acknowledged, I have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the said Lock Technology B.V., its successors and assigns, my entire right, title and interest in and to said invention, said application and the Letters Patent, both foreign and domestic, that may or shall issue, including all of my rights under the Paris Convention, European Convention, Patent Cooperation Treaty and other international treaties, and I do hereby authorize and request the Director of the United States Patents and Trademark Office to issue said Letters Patent to the above-mentioned assignee in accordance herewith.

I hereby authorize the above-mentioned assignee, its successors and assigns or anyone it may properly designate, to insert in this instrument the filing date and Serial Number of said application when ascertained.

I further authorize said assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of the Paris Convention, European Convention, Patent Cooperation Treaty and other international treaties.

Upon said consideration, I do hereby covenant and agree with the said assignee, its successors and assigns, that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I or my executors or administrators will at any time upon request, without further or additional consideration, but at the expense of the said assignee, its successors and assigns, execute such additional writings and do such additional acts as said assignee, its successors and assigns, may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuation, reissued or extended Letters Patent of the United States, or of any and all foreign countries on said invention, and in enforcing any rights, occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.

Attorney Docket No. 22513-3300/US/2

In witness whereof, I have hereunto set my hand and affixed my seal this 7 day of
May, 2007.
